

COVID-19 EVALUATION & SELF-QUARANTINE REPORTING

Sospes' COVID-19 paperless self-reporting form helps your organization keep workers safe and healthy when working onsite. Real-time dashboards summarize policy compliance and alerts selected management when an employee reports exposure or is experiencing known symptoms.

CONNECT

Communicate, coordinate and collaborate in real-time to sustain & operate your business through any disruption.

PROTECT

Real-time dashboards report employees' ability to present safely to the workplace.

PERFORM

Effective communication allows continued performance at a high level even when working remotely.
